

NEW MEXICO MI VIA

THE PROGRAM:

This is a state Medicaid Waiver program that helps people with disabilities to choose to direct their own waiver services and allows greater flexibility to use non-traditional supports in order to meet needs that are directly related to their health and safety.

With assistance from a Consultant, Mi Via Participants develop their own Service and Support Plan (SSP) and Plan Budget to meet their functional, medical, and social needs.

THE SERVICES:

- Living Supports
- Community
- Health & Wellness
- Respite
- Emergency Response
- Transportation
- Technology/Safety
- Independence
- Household-Related Supports

OUR VISION:

To strengthen the communities of New Mexico by enhancing the lives of those we serve.

THE VISIONS DIFFERENCE

At Visions Case Management, we advocate for New Mexicans with disabilities by connecting them to the services, resources, and support systems that empower them to live full, independent lives. **Our work is rooted in compassion, respect, and the belief that everyone deserves to thrive with dignity.**

WHY CHOOSE VISIONS?

Visions Case Management and Consulting is local and family-owned and operated. Visions strives to provide superior service to those in every New Mexico community. Our Consultants live and work in the communities they serve and stand ready to share their knowledge and experience with you and your family.

IS MI VIA FOR ME?

Mi Via can be a great fit for many families, particularly if:

- Family is going to continue to provide caregiving or have caregivers available.
- Medical or behavioral challenges are well-managed already.
- Person wishes to continue to live with family or on their own with minimal support.
- Person or family is able to handle payment functions and can use a computer (email and websites).
