

SELF DIRECTED COMMUNITY BENEFIT

THE PROGRAM:

The Self-Directed Community Benefit (SDCB), allows you to choose the people who provide your services and care. With the help of your Visions Support Broker and MCO-provided Care Coordinator, you will be successful in self-direction. You become the employer of your providers or you may ask another qualified person to be the “Employer of Record”. With help from your support broker, you will create and manage a care plan and budget to meet your needs.

THE SERVICES:

- Self-Directed Personal Care
- Respite
- Emergency Response Services
- Environmental Modifications
- Related Goods
- Skilled Maintenance Therapies
- Specialize Therapies
- Startup Goods
- Non-Medical Transportation
- And many more.

OUR VISION:

To strengthen the communities of New Mexico by enhancing the lives of those we serve.

THE VISIONS DIFFERENCE

At Visions Case Management, we advocate for New Mexicans with disabilities by connecting them to the services, resources, and support systems that empower them to live full, independent lives. **Our work is rooted in compassion, respect, and the belief that everyone deserves to thrive with dignity.**

Improve Quality of Life With SDCB

The Community Benefit offers services for members who qualify for nursing facility level services but want to live at home/ in their community. This program is an alternative option to placement in a nursing facility. The Community Benefit is not available for 24-hour care, as it is intended to serve as a supplement to existing natural supports.

YOUR VISION IS OUR MISSION.

WORKING WITH VISIONS

Our Support Brokers will provide you quality services with:

- **An individualized approach in plan development**
- **Support in plan implementation**
- **Plan utilization monitoring and advisement**
- **Assistance with document management**
- **Aid in maintaining program eligibility**
- **Rapid response and accessibility.**
- **Honest and up-to-date information for your decision-making**
