

Visions Case Management

Providing quality Case Management, Consulting, and Support Broker Services throughout New Mexico

Centennial Care Support Broker: You Are The Boss!

We are here to help you craft a budget designed to meet your personal care and therapeutic needs at home and in your community. We'll work closely with you and your Care Coordinator to set up the services you choose to be delivered by the people you choose.

Visions Case Management will provide a trained Support Broker who will guide and assist you with all aspects of the SDCB program. Your Broker will provide you with:

- A person-centered approach when planning and submitting care plans
- Expertise in maintaining program eligibility
- Rapid response and accessibility to your Support Broker, their supervisor, and our office staff
- A wealth of information regarding community resources and supports
- Ongoing support, education and advocacy regarding your rights and services
- Se habla Español
